SUCCESSFUL WINS AGAIN.

Wyndham Walden Adds to His Generous List of Victories at Benning's.

Belmont's Colors Carried for the First Time This Season in the Stake Race.

BROWN STARTING MACHINE TRIED. After One Mischance It Worked All Right, and the Field of Horses Got Away in Fairly Good Order.

Washington, April 23.—Successful won the Mount Vernon Stakes for two-year-old fillies, and so added one more to the generous list of brackets that have been placed to the credit of Wyndham Walden since the meeting began. Next behind her came her stable mate, Florian, who, rumor had it, was the best of the string. Today's race would hardly justify these claims, for it was a keen struggle from start to finish, and both were apparently doing their utmost as they flashed by the judges.

Mr. Belmont's colors were out for the first time in this race. They were carried by Fidenia, a dainty looking miss, by Kayton D'Or, out of that speedy mare, Fides. Her showing was a disappointment to some, but it was fully up to the expectations of her trainer.

The starting machine that is controlled by Fitzgerald & Brown was given a trial in the closing event. The field included several bad actors, yet at the second attempt they were dispatched in excellent order. The crowd was by long odds the best of the meeting. The attendance of the club members and their friends being especially strong.

Halton was first of the four favorites to win. With Play or Play and Merry Monarch scratched, his chances seemed encouraged. A wild bit on Jefferson encouraged Halton's backers to obtain 6 to 5, for their money. Halton won easily by more than a length from Tinge, who was ridden by a novice.

Premier had only Palmerston and Chebar to lean in the second event, and, of course, disposed of them easily. Some of the early birds among the layers found 3 to 5 offered against him, but it was eagerly snapped up, and the bulk of his support was at 1 to 2.

The meeting of the fillies was next on the programme. The Walden pair, Successful and Florian, were plucked on by the talent. At the post there was considerable delay. The race was confined to the Walden pair and McCafferty's Winged Foot. The latter hung on in a way that bespoke danger at the first sign of a let up. Katie B. II. was slow to get in motion, and finished fourth. Fidenia was fifth.

Golden Gate captured the fourth race in decisive style, without being asked to do his best. Augusta Belle, who was made favorite, was lost the entire journey.

Ed Kearney was voted a good thing for the closing event. The start was made with the meeting, and when it rose for the first time Mingo was not ready and the starter failed to drop his flag. McCafferty, on Sir Dixon, Jr., and Littlefield, on Tom Moore, believing it a go, went three furlongs before they were pulled up. At the next attempt all went off in good order.

Pig went racing out at a lively clip, and for six furlongs there was considerable guessing as to whether he would be caught or not, but he kept on his feet until he was at the finish, where he was found by Ed Kearney winning, with Mirage second, a head in front of Sir Dixon, Jr., who was gaining with every stride.
